## Best Price GUARANTEE

### OUR PROMISE TO YOU

We guarantee to quote the best price possible. If you are quoted less elsewhere on an exact like-for-like product basis, we will refund you the difference.

Our Best Price Guarantee only applies to a current and authentic written quotation from any competitor on exact, like-for-like product specifications and sizes. This is because it is always possible to pay less for a lower quality product. The Best Price Guarantee will be honoured at any time before an order is placed with Newglaze.
